This matter comes before the Public Service Commission of South Carolina (“Commission”) on a request by Young Clement Rivers LLP on behalf of Britt Gaston for a thirty (30) day extension of time to file a response to the Office of Regulatory Staff’s (“ORS”) Petition Requiring Certification as a Water Utility and the Posting of a Performance Bond.

The Commission recently granted a thirty (30) day extension to Gaston to file an answer to ORS’ petition. Gaston is now seeking an additional thirty (30) days for his response. According to this request, Gaston is continuing to work with ORS to resolve this matter and is very close to submitting a resolution to the Commission for its review. We grant this request. Therefore, Britt Gaston has an additional thirty (30) days, until August 22, 2008, to file an answer.
